## Fee Schedule

## **American Concrete Pipe Association Plant Certification**

## Effective January 1, 2024

(All fees are in US dollars)

Plants may elect any single or multiple product specific certification or full Plant Certification to meet local or state requirements. If Plant Certification is chosen, then all products produced and covered by this Manual will be audited to the requirements of this Manual. The same fees below will apply to Plant Certification and will be determined by all products produced.
